Tuition Assistance

2019-2020

St. John School provides tuition assistance for every family who demonstrates financial need. All financial aid is based on the need or financial status of the student's family, the number of qualifying requests received and the amount of financial aid funds that are available for a given school year. The amount of assistance will not exceed 40% of the total cost of tuition. A student must be officially enrolled including payment of registration fee before applying for tuition assistance.

Process

We use an outside agency, FACTS Grant & Aid Assessment, to objectively and confidentially determine financial need. Based on a comprehensive evaluation of key factors taken from information you provide, FACTS is able to provide the school with a determination of the appropriate level of tuition assistance.

Applying For Tuition Assistance

- Apply online at www.online.factsmgt.com/aid
- Search for school by zip code 63011
- A non-refundable processing fee of \$30 paid to FACTS will be required for consideration.

Application Deadline

- Application deadline for tuition assistance is March 15 to ensure you receive the maximum aid for which you qualify. This includes the submission of your tax returns.
- Late applications may be reviewed; the aid received will be dependent on the availability of remaining funds.
- Notification of tuition assistance awards will be mailed by April 15.
